Participation Activity: Class Poll

Write your name and EID on the index card, to get credit.
Please answer the following two questions.

1. How do you feel about the pace of this class, so far?
    (a) too fast   (b) just about right   (c) too slow

2. Which one – or more – of the following materials have you found to be most useful, so far?

These may include: class meetings, lecture slides, class website, card/quiz feedback files, videos, animations, help sessions, etc.

Class Poll: Oct. 2

There was a range of opinions, perhaps due to background:
-"I don't remember anything from Ast 301."
However, if we go *too* slowly, everything will be review and we'll miss out on new material!

"Mr. Osborne, may I be excused? My brain is full."
