

SCHEDULE OF EVENTS: 2007 FRANK N. BASH SYMPOSIUM - *New Horizons in Astronomy*

Sunday, October 14th

7:30pm: Reception (Appetizers and Drinks)
Star of Texas Inn (*website*)
 611 W. 22nd St., (512) 472-6700, [toll free] (866) 472-6700

Monday, October 15th

8:45: Welcoming Statements

Neal Evans, Chairman, Department of Astronomy
 Mary Ann Rankin, Dean, College of Natural Sciences

Session I, ACES 2.302

9:00-9:40: ***Solar System Bodies***
Joshua P. Emery, NASA Ames Research Center

9:40-10:20: ***Astrobiology***
Avi Mandell, Goddard Space Flight Center

10:20-11:00: Coffee & Posters, ACES 2.402

11:00-11:40: ***Exoplanets and Young Stars***
Eric Mamajek, Harvard Smithsonian CfA

11:40-12:20: ***Disks Around Young Stars***
Lucas Cieza, University of Hawaii

12:20-2:00: Lunch* & Posters
 *includes a 1 hour Q&A session with
 postdoc speakers and graduate students

Session II

2:00-2:40: ***Cool Stars***
Kelle Cruz, California Institute of Technology

2:40-3:20: ***Metal-Poor Stars***
Anna Frebel, University of Texas at Austin

3:20-4:00: Coffee & Posters, ACES 2.402

4:00-4:40: ***Instrumentation in the ELT Era***
Stuart Barnes, University of Texas at Austin

4:40-5:40: Panel Discussion

5:40-6:30: Posters, Informal Discussion

7:30pm: Conference Dinner
Fonda San Miguel
 Map & Parking (*pdf*)
 2330 W. North Loop, (512) 459-4121

Tuesday, October 16th

Session III

9:00-9:40: ***Globular Clusters***
Dougal Mackey, University of Edinburgh

9:40-10:20: ***Galaxy Formation***
Takashi Okamoto, University of Durham

10:20-11:00: Coffee & Posters, ACES 2.402

11:00-11:40: ***High-z Galaxies***
Masami Ouchi, STScI/Carnegie Observatory

11:40-12:20: ***Cosmic Microwave Background***
Joanna Dunkley, Princeton

12:20-2:00: Lunch* & Posters
*includes a 1 hour Q&A session with
postdoc speakers and graduate students

Session IV

2:00-2:40: ***Supernovae***
Robert Quimby, California Institute of Technology

2:40-3:20: ***GRBs***
Enrico Ramirez-Ruiz, UC Santa Cruz

3:20-4:00: Coffee & Posters, ACES 2.402

4:00-4:40: ***AGN and Starburst Galaxies***
Jane Rigby, Carnegie Observatory

4:40-5:40: Panel Discussion

5:40-6:00: Concluding Remarks

David Lambert, Director, McDonald Observatory
Frank Bash, Professor Emeritus, Department of Astronomy

6:00-6:30: Posters, Informal Discussion

Evening: Informal "Night on the Town"
