

## Radiative Processes & Radiation Transport

### Homework #1

Due September 10, 2009

---

Rybicki & Lightman problems 1.1, 1.3, 1.4, 1.5 & 1.9.  
(Each of these problems carry 20 points)

---

It is best for your learning experience to workout the solutions by yourself instead of looking it up at the back end of the book. The homework grading is based on the Honor System and I expect you all to be honest participants in this process.
