**Schedule:** Be sure to do the reading assignments **before** the class they are assigned for. Those who are prepared and ask questions or contribute to discussion will receive extra credit. If the scheduled office hours are not possible for you, we will make appointments for other times. Reading Assignments refer to chapters in the Class notes (Evans) or to the whole of the novel **Contact** by Carl Sagan. You should start reading **Contact** by about Spring Break, marking passages that discuss communications or travel ideas. Then review these before classes when those topics are discussed.
