TOTAL NUMBER OF PROJECTS:	20	TOTAL AMOUNT:	1,261,431.00	** CUMULATIVE AMOUNT:	1,208,389.00

* - Indicates the Faculty member is listed as a CO-PI on this project

** - Cumulative Total reflects the total funding awarded to a Principal Investigator (PI) during the lifetime of the project outside of the stated time period; PI has access to these funds for the life of the project.

This report is incomplete and does not include the NSF STEM award (DUE-0807140) for \$600,000 in July 2008.
A new report will be generated in early September.
